

Dromex

8020 DUSTCOAT

DW-8020XX-DC

- Dromex wash care labels sewn into neck.
- Back slit on rear of coat allows flexibility of the coat especially when sitting and bending, whilst preventing the coat fabric from bunching and wrinkling.
- Sleeve hem 1.5cm.
- Dustcoat bottom hem 1.5cm.
- Available in 3 colours, white, royal blue and navy blue.

This dust coat is ideal for use in general maintenance, warehousing, workshops, laboratory, janitorial and food production (packaging) industries.

Description

The Dromex DW- 80/20 DC, industrial dust coat is designed to protect the user's body and undergarments from exposure to dust and light liquid, splash and spray hazards.

This coat is constructed with polyester and cotton, which provides sturdiness, comfort, colour fastness and breathability for the user.

Features

- Being a blend of 80% polyester and 20% cotton, this is an affordable alternative to 100% Cotton.
- Concealed metal press stud closure
- Shoulder and sleeve seams are triple needled stitched for added durability.
- Left breast pocket with a pen division, V-flap cover and a concealed press-stud closure.
- Dromex sidewinder on left breast pocket.
- 2 Large Laid waist pockets ideal for storing gloves, safety glasses, essentials etc.

Cleaning & Maintenance

- The following suggestions will help keep your garment safe and neat:
- Polycotton garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and setting are adhered to.
- Should home procedures not remove contaminants, then dry cleaning is recommended.
- Our recommended cleaning for these garments is as follows:
 - Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
 - Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach as fading may occur.
 - Do not tumble dry.
 - Thoroughly rinse the garment to remove any wetting agents.
 - Do not hang in direct sunlight as fading may occur.
 - Iron the garment on low heat.
 - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.

Disposal

All industrial waste should be disposed of correctly according to local regulations and good disposal practice. Workwear should be disposed of considering the hazardous substances they were used for as well as the material they are made up of. Please consider recycling.
